

Proto.io App

Your task is to create a small proof of concept app that would show how your app or idea would work if you created it for a phone or tablet.

Check out:

<https://proto.io>

Must Contain:

- The name of your app with a creative logo
- Must have a minimum of 4 pages/screens
- Original/interesting idea
- Explores Proto.io's workspace/use various tools
- Must not SUCK
- Bonus mark if you get it to work on a device other than a PC/Mac

Warning you have to register for proto.io and it expires so do your work quickly/efficiently and get me to mark it before it expires.
